Mayor Ralph McGill Plaza dedication May 7

MICHELLE HOLLENHEAD

mhollenhead@farragutpress.com

Mayor Ralph McGill Plaza — named for the Town's third Mayor and one of its founding fathers — will finally be dedicated Friday, May 7, in an event open to the public starting at 5:30 p.m., with the dedication beginning at 6 p.m.

The Plaza, consisting of the grounds surrounding the historic Campbell Station Inn at the corner of Kingston Pike and Campbell Station Road, was completed in late 2020, and initial plans to dedicate it in December were scrapped due to lingering COVID-19 concerns.

Finally rescheduled, the May 7 ceremony will honor Dr. McGill, who was instrumental in leading the Farragut Community Group's mission for incorporation as well as being key in pursuing the Town's acquisition of the Campbell Station Inn itself during his mayoral tenure from April 2009 until his passing in June 2018.

A slate of guest speakers honoring Dr. McGill and his accomplishments will include fellow Farragut Community

Group members Marianne McGill, who is also Ralph's widow and one of the Town's first aldermen; and fellow FCG members Betty Dick, who has long served on the Town's Municipal Planning Commission; and Eric Johnson, who was also one of the Town's first aldermen.

Other speakers will be FMPC chair Rita Holladay, former Town Alderman and Vice Mayor Dot LaMarche; and Jim Nixon, prominent area developer and Shop Farragut/Farragut Business Alliance Board member.

Dr. Ralph McGill

Music and light refreshments will con-

clude the ceremony.

Nixon became involved in the acquisition of the Inn at McGill's request, he said, noting the structure also has been known as the Russell House, as the Russell family owned it before it was purchased by the Town in 2013.

He said the Russell family was working with Harry Thayer (now deceased) of Dean Smith Realty on the sale.

"There were others interested in buying the house," Nixon said. "I believe a bank and a drug store were both interested," noting if either had been successful "it would have required the house to be torn down.

"I think at that point, Ralph and Marianne stepped in to try to keep that from happening and save the house." Nixon also helped negotiate the payment plan between the Town and the Russells, which paid out over a three-year period. "I'm very proud of my part in making that happen, and certainly the end result." Nixon said. "It's beautiful, and one of the very few historical features in Farragut — it's certainly the most prominent, being located where it is."

FirstBank donated \$2,000 to the new Mary Ann Dodgen Azelea Garden at Farragut High School – created in memory of athletic director Donald Dodgen's wife, who passed away in February. Receiving the donation Monday, April 26, in front of the Garden site were, from left, principal Dr. John Bartlett; 12th-grade vice principal Dr. Charlene Lewis; curriculum vice principal Laicee Hatfield; and Dodgen. Presenting the donation were Donnie Henry, right, FirstBank senior financial center manager, and Terry Smiley, FirstBank Farragut branch financial center manager.

Following a lengthy discussion, Farragut's Municipal Planning Commission approved The Farragut Town Center at Biddle Farms' Phase 1 site plan Thursday, April 15, during its regular monthly meeting.

It is the latest hurdle cleared for the project, which has been moving through the Town's zoning and approval processes since late 2019.

Developer Budd Cullom of CHM Development has been working with officials and staff on the 37-acre project, which will encompass a portion of the former Biddle Farm, on which the "old" Farragut Kroger building has sat mostly vacant for more than a decade. The Town Center itself will be accessed from Kingston Pike, across from Farragut High School, and will include an Aldi's, along with 11 separate outbuildings specifically designed for retail and restaurant tenants.

A multi-acre "Village Green" — to be taken over by the Town when completed — will separate the Town Center from the 286 upscale apartments planned for the back portion of the property, along Brooklawn Street and South Campbell Station Road.

About '90 days' to complete Watt Road people crossing

Farragut's Watt Road pedestrian crossing project is scheduled to begin construction Monday, May 3. Once completed, it will provide a pedestrian connection from Orchid Grove and Sedgefield subdivisions to Mayor Bob Leonard Park, a Town press release stated.

Construction will include about 700 feet of sidewalk, a pedestrian refuge island in the center turn-lane and flashing beacons on an overhead mast arm. Completion is expected within 90 days. Motorists should expect delays and obey all signs and flaggers.

• Now that groups are planning events, Farragut businesses can become preferred vendors for Farragut Community Center. Currently, this opportunity only is available to businesses located within Town limits. If the business has multiple locations, billing must be through the Farragut location to qualify. Other requirements include having an active Farragut business license and relevancy to event rentals. There is no charge to be listed as a vendor. Preferred vendors will be recommended to current and prospective renters. Their required paperwork and permits will remain on file, making the process easier for the vendor, renter and community center staff. Development director Mark Shipley in his FMPC report.

"The site plan presented at this time includes the initial work needed to complete the overall project," the report continued. "The plan generally follows the layout of the concept plan and includes a plan for the demolition of existing (buildings)," along with plans for "grading, utilities, tree protection, lighting and landscaping.

"Subsequent site plan sets that will be presented to the Planning Commission will specifically address other building elevations and site-related components associated with those buildings."

Shipley's report also made note of

Cullom working with FEMA on updating the Flood Insurance Rate Maps for the affected area. "Approval of the site plan will need to be subject to FEMA's approval of these updates since the plan ultimately follows the updated maps," the report stated.

Vice Mayor Louise Povlin, who also sits on FMPC, made a motion to approve the first phase of the site plan, with the stipulation Cullom addressed several "subject-to's" suggested by staff, including providing a \$300,000 letter of credit for erosion control, securing a TDOT access permit to work along Kingston Pike and obtaining a drainage permit fee.

According to plans, Cullom said demolition on the old Kroger shopping center is set to begin in July.

FHS grad named director of gov't affairs for TN REALTORS

STAFF REPORTS editor@farragutpress.com

Farragut High School alumna and University of Tennessee graduate Lauren Cecil recently joined the staff of Tennessee REALTORS as governmental affairs director for the statewide association.

"We are thrilled to welcome Lauren and the skills she brings to our staff team in the vital area of advocacy," said

Angela Shields, Tennessee RE-ALTORS CEO.

"It's so important to be sure the REALTORS' voice is heard in the halls of government when decisions are made that affect private-property owners, buyers, sellers and Tennessee communities," she added.

The association represents more than 32,000 members.

Cecil will lead efforts in legislative and regulatory advocacy, working closely with

Tennessee General Assembly

and fostering involvement among RE-ALTORS members in advocacy and the political process, an as-

sociation press release stated.

Most recently, Cecil served as manager of Government Affairs & Outreach for Tennessee Chamber of Commerce & Industry. Additionally, she previously worked with the Tennessee Comptroller of the Treasurer's office, was a legislative assistant with State Sen. Doug Overby, worked in the Tennessee Secretary of State's office and also served as an intern for former U.S. Sen. Bob Corker.

Cecil, who graduated from FHS in 2009, is the daughter of Bill and Janell Cecil of Farragut. She joins fellow FHS alum Phil Newman, (Class of 1986), who is Tennessee REAL-TORS' communications director.

Cecil holds a bachelor's degree in political science from University of Tennessee-Knoxville and a Master's degree in public administration from Tennessee State University.

SoccerDawgs tied, then respond on rival's pitch 4-1

ALAN SLOAN editor@farragutpress.com

When Farragut tied Bearden in the 52nd minute, 1-1, "I thought their goal woke us up," BHS head coach Ryan Radcliffe said about responding to a rival's challenge in Farragut Soccer Stadium Saturday evening, April 24.

A three-goal run thereafter resulted in a 4-1 BHS win scoring twice in about three minutes after Ads forward Timi Omitaomu's header from 10 yards was assisted by a 30yard pass from Josh Holas.

"Getting even with them, and then having a letdown so quickly, that's hard emotionally on any team," head coach Bradley Culbreth said about his team (7-2-3), adding, "the final score doesn't make me lose any confidence in my team." A red card left FHS down a man in the final 22:24.

The SoccerDawgs (10-3-1) first answered in the 54th minute on a header goal from Sharif Aly off a Dillon Sims corner kick. Only 1:21 later, Bearden increased its edge to

3-1 when Cole Turner tapped in a Julian Strickland shot after another Sims corner kick. Ethan Ford polished things off with the final goal, assisted by Lucas Nordin.

"Ithoughtourmidfield three played fantastic, especially Julian and Dylan Kolnick," Radcliffe said.

Nordin's penalty kick in the game's seventh minute put the SoccerDawgs ahead 1-0.

"I thought the first half looked like a lot of kids that haven't played in this big of a game before," Radcliffe said.

Ads' late power holds off HVA's late power

KEN LAY

Correspondent

The brief history of the Hardin Valley Academy-Farragut High baseball rivalry has featured some epic clashes.

At John Heatherly Field/ The Ballpark at Farragut Monday evening, April 26, the Ads outlasted HVA 7-5 to give FHS sole possession of first place in District 4-AAA at 12-1.

Down 1-0, Farragut (27-2, 12-1) scored four runs in the bottom of the fourth inning. A three-run homer by Angus Pence and an RBI single by Lukas Buckner made it 4-1.

In the top of the fifth, Archer Wong-Shasteen's RBI single plated Brycen Denton to pull the Hawks (23-5, 11-2) within 4-2. HVA scored first in the fourth inning when Ty Denton singled home Wong-Shasteen.

The Ads went up 7-2 on Hudson Seigler's RBI single in the fifth before Buckner, FHS freshman second baseman, hit his first career home run, a two-run shot to center field.

"He's been working hard," said FHS head coach Matt Buckner, also Lukas' father.

Green's softball girls were 22-1, champs in 4-AAA

ALAN SLOAN

It's no wonder Farragut softball has a 22-1 overall record while unbeaten at 12-0 in District 4-AAA entering play Tuesday, April 27 — the team batting average is almost .500.

With at least a share of the 4-AAA regular season crown locked up, head coach Nick Green said about his offense, "There's nobody around here who can say they're equal to us 1-through-9" in the line-up.

Individually, "(Ace) Strickland and Cameron (Young) are both hitting above .600; Hannah Pfeifer and Sarah Livingston are hitting around .550; and I have Ava Guzowski, Lauren Brakovec, Addison Pressley and Autumn Caywood all hitting .400-plus," Green said. The Lady Ads also have been

able to count on pitching.

Though not always dominant on the mound, "the pitching staff has done an exceptional job," Green said. "I think (junior staff ace Avery) Flatford is like 10-0. As for the other two pitchers, Emma MacTavish (freshman) I think is 6-0; and then Avery Mattina, my sophomore, is like 6-1."

HVA's Wildi earns **RCF** scholarship

TAMMY CHEEK

tcheek@farragutpress.com

Hardin Valley Academy senior Abigail "Abby" Wildi recently was awarded the \$2,000 Youth/Young Adult—Fred Brown Interact Award of Merit Scholarship from Rotary Club District 6780.

"I was so excited to learn that I had received the scholarship," said Wildi, daughter of Rob and Debbie Wildi and sister of Matthew Wildi. "It means so much to be a recipient, especially with the scholarship being given in honor of a Rotarian who had such an impact on his community.

"I hope to be able to use the scholarship to help further my education and ability to serve my community as well."

Wildi, president of the HVA Interact Club, jumped in with both feet to serve, according to Leah Berry, Interact representative for The Rotary Club of Farragut.

"Our club sponsors the HVA club, and a few of us know Abby," Tom King, RCF publicity chairman, stated in an RCF newsletter.

King stated last week the scholarship is very prestigious.

According to Rotary's website, the Youth/ Young Adult—Fred Brown Interact Award of Merit was initiated by past District Gov. Fred Brown, the first district chairman for Interact from 1964 to 1968 who organized the first Interact Club in Etowah High School.

According to the website page, "The purpose of the award is to recognize an Interact member of District 6780 who has shown outstand-

Wildi

ing leadership and participation in Interact activities." "The award brings with it \$500 for the Interact Club to use on its projects," King stated. He added there are four such scholarships, normally, but an anonymous Rotarian donated \$4,000 spe-

cifically to fund two additional awards for 2021. "I think my involvement with Interact is something that helped me to receive the scholarship since I am active in my club and have really enjoyed being a member for the past few years," Wildi said. "What I have most gotten out of being in Interact Club is learning how to take initiative to work with those around me to plan meaningful projects that will help meet the needs of my community."

Wildi said she is interested in pursuing a nursing career in the public health field.

"I am attracted to the nursing field because it allows me to care for and develop relationships with patients while giving me the opportunity to continue learning and to serve my community," she said. "Right now, I am most likely planning to attend Clemson University in the fall; however, I am making a final decision over the next few days in selecting a college."

Farragut schools look to honor, reward its teachers, school nurses during May

Teachers and school nurses - all of whom have bravely faced a tough pandemic year will be honored by the Farragut community in the coming weeks.

The national Parent Teacher Association is

promoting its annual Teacher Appreciation Week this year (Monday through Friday, May 3-7), although Farragut Intermediate School will be celebrating the occasion during the last full week of school, May 17-21, at principal Deborah Adorante's request to "avoid the test-ing window," said Elizabeth Munk, FIS Parent Teacher Association president.

Many activities and events are being planned to support and thank Farragut teachers.

Farragut Primary School recently held an online auction fun-raiser specifically to "love on our teachers," said Michelle Morrow, FPS Parent Teacher Association president, during a recent Town Education Relations Committee meeting.

"Our goal is to make Teacher Appreciation

Week something they won't forget," she added.

An FPS flier promoting the week's events suggests: Monday, May 3, bring a teacher his or her favorite flower; on Tuesday, May 4, bring a teacher a note explaining his or her impact over the last year; Wednesday, May 5, bring school supplies that might be running low; Thursday, May 6, bring a teacher a treat or a favorite snack, beverage or homemade treat; then on Friday, May 7, bring teachers gift cards to their favorite restaurant or store.

"We welcome anyone else who would like to contribute, to let us know if they would like to make a donation or sponsor a particular teacher or staff," said Beth Duncan, Farragut Middle School Parent Teacher Organization president.

Later in the month, National School Nurse Day will be celebrated May 12, and Duncan said all four school nurses will be honored and recognized for "going above and beyond" during the current school year. "Our nurses have been asked to do far more this year than any other year before. We feel that celebrating them on May 12 is the least that we can do."

Boyer is a 1794 Scholar studying marketing with a collateral in international business.

She is the founder and president of Women of Haslam, a student organization focused on bringing together businessminded women from across campus for networking and professional development opportunities.

Boyer has served as a Haslam Ambassador, Smith Global Leadership Scholar, president of the South Carrick Residence Hall Council, a member of Student Alumni Associates and president of the Order of Omega Greek leadership honor society.

She has held numerous leadership positions in the Haslam College of Business and across campus, dedicating her time to mentoring others and creating empowering spaces for women. Boyer plans to attend UT's College of Law in the fall, according to Stephens.

"It's a huge honor to be a winner of the Torchbearer," Boyer stated in the press release. "I think this university is like a big family. We all have that Volunteer spirit and use it to pour into each other.

"UT has really encouraged me to make a difference, be my best self and to give back whether it's in the Knoxville community, on campus

ville, to be a recipient of this award is a huge honor and so humbling. This university has given so much to me, so I want to give back and continue to pour into the lives of students that are still here well after I leave."

Stephens stated Young, a senior, is studying supply chain management and business analytics. As lead ambassador for the Haslam College of Business, he has dedicated much of his time to supporting students in his program and welcoming prospective Vols to campus.

"He has served in multiple peer mentor roles within the college, spent a term as vice president of Beta Upsilon Chi fraternity, participated in the Student Alumni Associates and volunteered at Emmett Elementary School in Bristol, Tennessee, where he taught business principles to fifth graders," Stephens stated.

"After serving as a supply chain intern with Dell Technologies last summer, Young will go on to work with the company as a part of their Supply Chain Development Program based in Austin, Texas, starting in June," she added.

"Since 1968, the Torchbearer statue — UT's official symbol - has stood on campus with a plaque stating the Volunteer Creed ... a physical reminder of the values that are central to UT. Each year, a group of students who have gone above and beyond in demonstrating their commitment to service,

outstanding leaderand ship academic achievement are n a m e d Torchbearers in recognition of their extraordi-

nary accomplishments."

Stephens stated the recipients learned of their selection

through a surprise visit by Chancellor Donde Plowman or a member of her cabinet in early March.

"The surprises took place both in person and virtually, to accommodate students who are not on campus," she said.

As a Torchbearer, each honoree received a plaque and a medal during the Chancellor's Honors Banquet April 7. "The banquet is the university's largest recognition event of the year," Stephens added.

ALCOA — A quick start, dominant pitching, a big contribution deep in the line-up, a special outfield catch and late power added up to victory for Hardin Valley Academy softball at Alcoa.

"I'm just happy with the way they came out and put up three runs in the first inning," HVA head coach Whitney Hickam-Cruze said about the 8-1 win Friday evening, April 23, improving her team's record to 22-7 overall while standing at 10-2 in District 4-AAA starting the week. As for pitching a complete game, Denver Hogrefe "was very effective tonight, her stuff was working well," the HVA head

coach said about the senior, who allowed one earned run, three-hits and two walks with six strikeouts. "She hit her spots."

Hogrefe helped her cause with a first-inning RBI single and a seventh-inning solo home run. Kylie Tillman's two-RBI single in the first inning made it 3-0.

Brook Taylor connected for a secondinning RBI single, scoring Annie McCormick, who laced a triple. McCormick end-

ed with two hits and scored twice as the No. 9 batter. "Annie's very disciplined in that nine-hole," Hickam-Cruze said.

Madi Lane blasted a two-run homer in the seventh-inning,

Olivia Neely had a sixth-inning double for the Lady Hawks.

A running catch by center fielder Gracie Gray in the sixth inning saw the HVA sophomore slam into the center field wall. "That catch really just kind of snagged the momentum back right there," Hickam-Cruze said.

"It was a great catch."

"We have a good team and they have a good team, so it's going to be a battle every time," he added. "Our pitchers (Jaxson Pease and Hunter Merrick) pitched pretty well."

Hawk Jaylen Jones clubbed a three-run homer with two outs in the seventh.

"We've scored more runs in the seventh inning than we have in any other inning this year," HVA assistant coach Ben Barnett said.
