TVA Invites Community to Public Meeting on Kingston Fossil Plant Corrective Measures Assessment

The Tennessee Valley Authority (TVA) invites the community to an open house and public meeting to discuss the corrective measures assessment for the coal combustion residuals (CCR) site at the Kingston Fossil Plant.

On August 13, 2026, from 5:30 pm – 7:30 pm at the Kingston Community Center, 201 Patton Ferry Road, Kingston, TN 37763

Staff will be available to answer questions and discuss TVA's groundwater monitoring, and the options TVA has examined to address impacted groundwater in limited and localized areas on the site, in keeping with federal rule 40 CFR § 257.96(e) pertaining to CCR.
